

TREE RING DIGITAL OFFICIALLY CERTIFIED AS LGBT BUSINESS ENTERPRISE (LGBTBE®) BY NATIONAL LGBT CHAMBER OF COMMERCE

For Immediate Release

August 1, 2019

Washington, DC -- Tree Ring Digital is proud to announce their recent certification as an LGBT Business Enterprise (LGBTBE®) through the National LGBT Chamber of Commerce (NGLCC) Supplier Diversity Initiative. The NGLCC is the business voice of the LGBT community and serves as the nation's exclusive certifying body for LGBT-owned and operated businesses.

"We are pleased to welcome Tree Ring Digital to the ever-expanding network of NGLCC certified LGBT Business Enterprises and the hundreds of corporations and government agencies eager to put them to work," said NGLCC Co-Founder and President, Justin Nelson and Co-Founder and CEO Chance Mitchell. "According to NGLCC's groundbreaking America's LGBT Economy report, America's estimated 1.4 million LGBT business owners, many of them NGLCC certified, add over \$1.7 trillion to the GDP and create tens of thousands of new jobs. We are proud to count Tree Ring Digital among those who prove every day that LGBT businesses are the future of the American economy."

Tree Ring Digital is now eligible to participate in the NGLCC's corporate partners' supplier diversity programs, can take advantage of the vast educational opportunities promised by the NGLCC, and can work to foster business to business relationships with other LGBTEs worldwide throughout the year and especially at the NGLCC International Business & Leadership Conference.

"The Colorado LGBTQ Chamber has been a great organization not only for business, but also creating friendships, so becoming involved in NGLCC was a natural step," said Tree Ring Digital Founder and CEO Paige Wiese. "I want to stay strongly involved in the community because I don't feel like there are a lot of visible LGBT business owners out there."
